SUMMARY — FP&A professional with 5+ years of experience in financial planning, business partnering, and performance reporting in fast-paced international organizations. Skilled at **translating complex financial data into actionable insights** using Power BI, VBA, financial modeling, and AI-enabled tools, driving process improvements and business performance. **Green Card Holder - fully authorized to work in the U.S.**

EXPERIENCES

AspenTech - an Emerson company **Dec 2025 – Present · 11 mos**

FP&A Manager *MA, USA*

- Partner directly with executive leaders across five departments (Finance, Marketing, HR, Legal, Facilities) on financial decisions and resource allocation.
- Lead company-wide Headcount and Compensation expense forecasting for a global workforce of 3,500+ employees, covering salaries and wages, merit, benefits, bonus, and severance, delivering 98% year-end forecast accuracy.
- Manage annual budget, quarterly plan and weekly forecast across Compensation and Non-compensation OPEX.
- Analyze performance against budget and forecast, and prepare presentation material for executive reviews.
- Build financial models for restructuring, strategic planning and long-range forecasts, translating business assumptions and operational drivers into financial projections that inform executive decisions.
- Leverage Workday Adaptive Planning, Power BI, and Copilot to enhance reporting efficiency, improve data visibility, and streamline FP&A analyses and processes.

ATR - AIRBUS Group **Mar 2021 – Sep 2025 · 4 yrs 7 mos**

Financial Controller *Feb 2023 – Sep 2025 · 2 yrs 8 mos*

- Served as Services & Support Controlling Team Lead in France, coordinating cross-regional financial actions with subsidiaries in Miami and Singapore.
- Partnered directly with the Senior VP of Services & Support department (9 business units, ∼$600M revenue, ∼350 employees) and collaborated with cross-functional teams HR, Procurement, Accounting, Treasury to optimize resource allocation and drive the financial performance.
- Led month-end close cycles, analyzed in-depth actuals revenue, COGS, margin, OPEX, and cash flow variances versus prior year, budget, and forecast; prepared executive-level reports and presentations.
- Drove business reviews, risk & opportunities tracking, quarterly forecasts, annual operating plan.
- Developed financial models, business cases, and conducted ad-hoc analyses to recommend actionable strategies for processes efficiency and margin optimization.

Financial Controller Assistant (contracted through Expleo) *Oct 2021 – Feb 2023 · 1 yr 5 mos*

- Supported several Engineering VPs at ATR on business performance and financial planning.
- Managed month-end close, including cost accruals, deferred revenues, and WBS & CC management.
- Built and maintained OPEX PowerBI dashboards that helped managers make data-driven cost decisions.
- Managed KPIs and SOPs to drive cost savings initiatives amid inflation and supply chain volatility.
- Worked with the Accounting and SAP teams to improve reporting accuracy and streamline business logic.

Financial Controller Intern *Mar 2021 – Sep 2021 · 7 mos*

- Analyzed business unit Technical Documentation to drive process improvements and operational excellence.
- Monitored budgetary control, participated in closings, improved dashboards & tools with VBA Macros.
